Anna is a super friendly, brown eyed girl who was picked up as a stray by a county shelter. She has a beautiful Zorro-like mask that is quite striking.

Anna loves her humans and adapts to their routines. Her foster mom enjoys her morning coffee time with Anna. Her foster family has kids and Anna does well with them too. With the help of her foster family, she has worked on her house manners and they are pleased with her progress.

Anna walks well on leash and is a good walking companion. She is really smart and (like many Huskies) learns quickly and likes to please.

She loves to play tug of war and chase with other dogs. She gets along with her pack, but does better with male dogs. As with most Huskies, we recommend no cats.

Anna is Heartworm negative, healthy, up-to-date on shots, microchipped, and spayed.

If you want someone that will appreciate you, just as you are, no questions asked – this is the girl for you. Fill out an adoption application on our website, www.siberrescue.com, today.
